

.....
;
; Opinion Lexicon: Positive
;
; This file contains a list of POSITIVE opinion words (or sentiment words).
;
; This file and the papers can all be downloaded from
; <http://www.cs.uic.edu/~liub/FBS/sentiment-analysis.html>
;
; If you use this list, please cite one of the following two papers:
;
; Mingqing Hu and Bing Liu. "Mining and Summarizing Customer Reviews."
; Proceedings of the ACM SIGKDD International Conference on Knowledge
; Discovery and Data Mining (KDD-2004), Aug 22-25, 2004, Seattle,
; Washington, USA,
; Bing Liu, Mingqing Hu and Junsheng Cheng. "Opinion Observer: Analyzing
; and Comparing Opinions on the Web." Proceedings of the 14th
; International World Wide Web conference (WWW-2005), May 10-14,
; 2005, Chiba, Japan.
;
; Notes:
; 1. The appearance of an opinion word in a sentence does not necessarily
; mean that the sentence expresses a positive or negative opinion.
; See the paper below:
;
; Bing Liu. "Sentiment Analysis and Subjectivity." An chapter in
; Handbook of Natural Language Processing, Second Edition,
; (editors: N. Indurkha and F. J. Damerau), 2010.
;
; 2. You will notice many misspelled words in the list. They are not
; mistakes. They are included as these misspelled words appear
; frequently in social media content.
;
